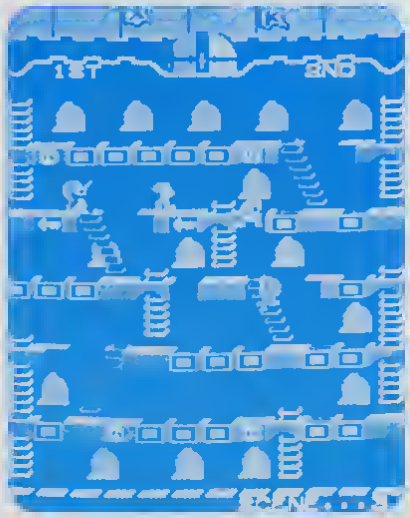
Mr. Do's CASTLE™

UNIVERSAL ®

Running away or challenging · · · Mr. Do! is very active



HOW TO PLAY

- Operate Mr. Do! to exterminate all the unicorns.
- After dropping a block by using a hammer, skillfully drop the unicorn into the hole. Then, drop the block onto the unicorn, and you can exterminate it.
- You can also exterminate the unicorn, by dropping a block onto it while it is walking.
- Make good use of ~ , and you can wipe out several unicorns at a time. When dropping both , the blocks between them will also drop at the same time.
- Only Mr. Do! can remove the ladder.
- If Mr. Do! has been held between the two unicorns, you can let him escape by dropping a block.
- When three have been dropped, will appear at the highest . If you wipe out , the unicorns will change into EXTRA.
- You can exterminate EXTRA by hammering it or dropping Mr. Do! on it. When it has been wiped out, a flag will be run up on the pole.
- Another Mr. Do! will appear if you succeed in running five flags, EXTRA up on the pole.
- The last unicorn will change and split into the blue unicorns after 30 seconds, then after another 30 seconds the blue unicorns will split into double unicorns.
